## *This Week..*

Dear Families,

This week the children enjoyed all out planned activities for our Friends unit. During this unit the children will learn and share things that friends will do (share, be kind, ask each other to play, use gentle hands, etc.)

We did different activities pertaining to friends, from friendship color mixing, group friendship mural, to practice their sharing and taking turns skills.

During circle time have continued to sing our ABC's and recite our numbers and colors in both English and Spanish. We are also working on the days of the week! If you would like to see the books we have read, feel free to look at our Story Tree!

Next week will continue our unit on Friends, we cannot wait to see how much your children will learn about friendship!

## *Classroom Policy...*
